Mike: (714) 329-9063

Drop-in Pet Sitting

Husband and wife team can care for your family pets in the comfort of your own home. So while you are away, your pet does not have to leave familiar surroundings during the day or overnight.

Our services include feeding your pets, administering any medications, providing lots of TLC, daily walks, interaction and playtime, all while providing plenty of exercise. We clean up messes your pet may make (litter box and yard), and can water indoor plants, if you wish. Your home will appear lived-in while you are gone because we will switch the lighting, bring in mail, newspapers and any door ads.

Our prices are very reasonable and can be discussed upon our first scheduled interview with you.

****Areas we service are: Orange, Tustin, Irvine, Newport Beach, Corona del Mar and South County**

References will be supplied upon request.
